Dear Vaishnavi S Thapekar,

We are pleased to inform you that your paper (ID: 8) titled "A Hybrid Behavioural and File-Entropy-Based Machine Learning Framework for Real-Time Ransomware Interception and File Rollback" has been officially accepted for publication at IEEE International Conference on Intelligent Computing, Artificial Intelligence on Electrical, Electronics & Computer Engineering which is scheduled to be **conducted on 21-01-2027 and 22-01-2027** at UKF College of Engineering and Technology, Parippally, Kollam, Keralam.

Reviewer Comments to Author(s)

- The paper addresses a relevant ransomware detection problem and presents an interesting hybrid framework combining behavioural and entropy-based features. However, the main limitation is the absence of actual experimental results for the proposed system. Dataset details, implementation results, and quantitative comparison with existing approaches should be provided. The novelty of the proposed framework also needs to be clarified further. Some language and presentation improvements are recommended. Overall, the paper has potential but requires significant revision and experimental validation.

To proceed with the publication, please prepare the camera-ready version of your paper by addressing the reviewers' comments and adhering to the following guidelines:

1. Ensure your final submission follows the IEEE conference templates (A4-DOC). You can download the templates from the IEEE website.
https://www.ieee.org/conferences/publishing/templates.html.
2. Prepare the response to reviewer's comments (if applicable.) precisely and upload it to CMT as a separate PDF file. Before uploading, kindly rename the response PDF file as PIDXXXX_Resp.pdf, where XXXX is the paper ID.
3. Use the CMT tool while submitting the camera-ready paper.

General Instructions:

1. Title and author names must be of IEEE format. Please don't use author titles (Dr., Prof., Ing., Er., etc.) in front of names and avoid using positions such as Professor, Lecturer, Scholar., etc.
2. Cite all the references in the paper
3. Cite all figures and tables in the paper (Use high-quality images and diagrams with an appropriate resolution. Avoid using images with excessively low or high resolution; a resolution of 300 dpi is recommended for ICICAIEECE2027.)
4. Put number to the equations and refer in the paper
5. Strictly follow the IEEE format to avoid rejection or delay in publication
6. The similarity with other published works should be kept to a minimum. The overall similarity (plagiarism) index must not exceed 20% excluding references. More than 20% may lead to rejection

To confirm your participation, kindly complete your registration and payment **on or before October 30, 2026**. Please submit your payment details using the following Google form:
https://forms.gle/8ghwFduZPauJjYnp7

Registration Fee:

Overseas Delegates	: US$110 (IEEE Members)
Overseas Delegates	: US$125 (Non-IEEE Members)
Indian Delegates (UG/PG Students)	: Rs.5,000 (IEEE Members)
Indian Delegates (Academicians)	: Rs.5,500 (IEEE Members)
Indian Delegates (UG/PG Students)	: Rs.6,000 (Non-IEEE Members)
Indian Delegates (Academicians)	: Rs.7,000 (Non-IEEE Members)

Note: Your paper will only be accepted and published upon fulfilling all requirements, including payment and submission of the camera-ready manuscript with all review comments incorporated.

Bank Details for Registration Fee Payment

Account Name	: IEEE UKFCET
Account Number	: 7500000100017711
Bank	: Punjab National Bank
Branch	: Varkala-750000
IFS Code	: PUNB0750000
SWIFT Code	: SWIFTPUNBINBB

If you have any questions or require assistance, please feel free to reach out to us at conference@ukfcet.ac.in or contact:
